Lisa’s short-term goal is to pursue a master’s degree in Business Analytics with a career goal to pursue her passion about transparency, gaining insight and information from data, and sustainable financial systems. She has received a number of academic awards including recognition by the National Collegiate Athletic Association (NCAA) Elite 90 for highest GPA.

We were thrilled she could join us during our meeting so that we could meet her and learn more about her in person.

A check for $1,000 was sent to her to be used toward her educational goals. Her application has been forwarded to Zonta District 1 for consideration at the next level.

**We wish her much success in school & in life!**

---

**MEMBER BIRTHDAYS!**

Congratulation & best wishes to those of you celebrating your birthdays in June & July:

- July — 04 M Dresser; 05 C Andrews; 20 D Raycraft; S Friedburg; 21 L Miller; 28 L Carey

- August — 24 C Mitchell

Wishing you all a memorable day!

---

**LISA OLSSON**

Our 2021 Jane M. Klausman Women in Business Scholarship Winner, Lisa Olsson joined us via Zoom during our June Business Meeting. Marie Lang, our JMK Scholarship Coordinator, introduced Lisa who then shared some information about herself.

Lisa’s home is in Saltsjobaden, Sweden but she is living in Durham while going to college. Lisa is expected to be awarded her undergraduate degree in Business Administration, Information Systems & Business Analytics next May 2022 from the University of New Hampshire’s Peter T. Paul College of Business & Economics. Over the last six semesters she has earned a 4.00 GPA. Lisa is a student athlete and competes on the UNH Division 1 Alpine Ski Team and tutors her teammates. Lisa also volunteers at a local church. During the summer of 2021, she will intern at the headquarters of Morningstar Inc. in Chicago.

**Zonta Club of Concord, NH e-News**

**P.O. Box 1736, Concord, NH 03302-1736**

Janice N. Severance, Editor & Club President
A club’s beading and social gathering took place outside on the patio at Adriane’s home in June and many lovely pieces of jewelry were created that will be sold at our annual Holiday Auction. Great conversations, delicious munchies, and some laughs were enjoyed by all!

Thank you for sharing your lovely home with us, Adriane! It seemed so good to see everyone in person!

Remember, you can receive advocacy alerts from Zonta International on your cellphone: **50457 text Zonta.**

**NATIONAL NIGHT OUT**

**Tuesday, August 3**

5:00 - 8:00 pm

Rollins Park, Concord

The Club has received an invitation to participate in this summer’s *National Night Out* event. This year, as in years past, numerous businesses/non-profits from around the community will set up booths to make people aware of the services they provide as well as the projects they are involved in. As many of you know, we have participated for a number of years in this event providing awareness on various issues such as violence against women, and the last one was around bullying in the schools. The Service Committee and Board have agreed to participate once again.

This year we thought we would bring awareness to the COVID vaccine and how important it is to get vaccinated since the young adults and children have or will be able to get vaccinated in the near future—hopefully. We have a number of “Can’t Wait to Vaccinate” and some “Got the Shot” pins that will be given out. Yes, Rosie is the graphic on these pins but we could educate the attendees on what she represented and why we are using her now...a twofer.

We have some pins & stickers that say “I run like a girl, try to keep up” which we will offer as giveaways too to promote leadership of young girls along with some Zonta pens we have in inventory. And, of course, we’ll have literature about our club available to give out.
Donna Raycraft attended this webinar in June on a topic our club has been and will continue to be engaged in and said it was well worth watching. You can ctrl & click on the recording of the event here:

One of our new club members, **SUSAN DUNTON**, was installed at our June Business Meeting. We look forward to her participation and enthusiastic involvement in our mission to empower women through service and advocacy.

Unfortunately our other new member, **LORRAINE BARTLETT**, was unable to attend this meeting and will be formally installed in September.

**THE BOOK NOOK REPORT**

We are so excited to share with you that the sales of books totaled **$5,040** from June 1, 2020 through May 31, 2021!!!

Sue is elated with this number but has informed us that her goal is at least $7,000 (if not $10,000) next year...yikes!

Thank you to all the volunteers who collected, priced, lugged, and organized books throughout last year and continue to do so into this new fiscal year.

And a very special thank you to Sue McCoo who donates the space in her store and continues to make room for more bookcases.

(We might have to change the name to the Book Nook Library.) 😊

**MARKET DAYS BOOK SALE**

Thursday, August 19 thru Saturday, August 21

We will once again be selling donated books in front of Hilltop Consignment during this event. Proceeds from the sale of the books will benefit our various scholarships.

Terry Timmerman will be sending out a request for club volunteers to fill the various shifts to sell the books. Please try to help out if you can...thank you. More info in next month’s newsletter.
