She was a Director, Administrator, held a number of Supervisory positions, was a Child Protective Service worker, and a Head Teacher.

GOT AN ORANGE SHIRT OR ORANGE JACKET IN YOUR WARDROBE?

At our December 1 Business Meeting at Alan’s Restaurant, we will be taking a picture of all in attendance wearing orange and we’ll write the word “NO” on our palm (promise it will be washable). This is being done to bring awareness to the 16 Days of Activism and Zonta’s commitment to NO TO VIOLENCE AGAINST WOMEN.
Claudine joined us as our guest at the October Business Meeting and gave us an update on her life since receiving the club’s monetary NAMA Award in 2017.

Claudine told us that she really appreciated receiving the Award and that it made a big difference in her goal of attending college. She graduated from Keene State University after just three years. Since then she has married, had a child and is now employed by the Concord School System as a home visitor, which she enjoys.

The 2021 District 1 Fall Conference hosted by District 1 Governor Beatrice Schori and the Zonta Club of Concord NH was held on Friday October 22 & Saturday October 23. The meeting included business, incredible speakers, virtual networking, workshops, fun, and fellowship. There were over 50 District 1 Zonta members who attended and all experienced two days of virtual connecting, learning, laughing, and empowering.

Congratulations to our club for winning the challenge of the most members who donated to the Zonta International Women’s Foundation during the conference. We should receive special recognition on the District 1 website and an anonymous $200 donation was made in our club’s honor to the Foundation. Thank you to all who donated!

The conference committee made up of Gov. Beatrice, Lynn Stanley, Donna Raycraft, Terry Timmerman, Janice Severance, Jane House & Sue McCoo thoroughly enjoyed putting this event together for all which was held in this unprecedented conference format. A huge thank you to Lynn for all her technical expertise before and during the conference — we couldn’t have done it without you!

(A special thank you to ALL our club members who attended—I was so proud!)

Next District 1 Fall Conference will be held in Halifax, Nova Scotia in 2023.

2021 ONLINE HOLIDAY AUCTION

Your Ways $ Means Committee is busy putting together an online Holiday Auction scheduled for the beginning of December (actual dates to be announced) since we are not able to hold an in-person event.

We need your help to make this a successful event!

At the November 3rd Business Meeting you will receive copies of a letter that you can bring to a business that you patronize asking them for a donation. Feel free to ask for a gift certificate ($25 is just fine or more if they prefer) or an item from their establishment.

You will also receive a donation form that needs to be completed for each donation so that we can publicize accurate information about the item as well as the name of the donor. Much of this information will be used to describe the item online and we will use some to send them a thank you following the event.

The letter and donor form will be sent out via email to all members following our meeting.

Yes, the online auction will include the opportunity for individuals to donate to our Ante-Up for Education component to benefit our various scholarships.

Stayed tuned for more information!

ONLINE MENSTRUAL PRODUCT ORDERING THROUGH AMAZON™ HAS JUST GOTTEN MORE STREAMLINED!

Thank you to Laura for her technical skills to implement a simple, streamlined link to a charity list in our Amazon account! Laura was able to move the existing wish list, along with some additional items, and added a picture of a delivery to the Friendly Kitchen. Susan wrote up a description about our project which was added to the site.

Menstrual and under garment products can either be sent to Susan at her home where these items are stored before being delivered to crisis centers, food kitchens, colleges, etc. or they can be shipped to the club’s post office box.

Thank you for all your efforts and success with this upgrade!
